Re: *State of Oklahoma v. Tyson*  
Our File No. 1790-2

Dear Louis:

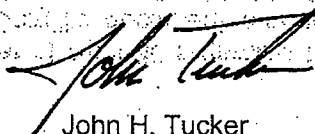

This will acknowledge your letter of April 30 regarding the referenced matter. What I thought I referenced with regard to Cargill's document production was that the hard copy production was essentially complete. This was outlined in Ms. Mann's letter to you of the day before. What I believed I was representing to the Court and Ms. Mann's letter make the same point, that Cargill's hard copy response to your Request for Production is essentially complete.

If your folks had any concern in that regard, since you had received Ms. Mann's letter, it would have been easy enough for someone to bring that to our attention so that we could have resolved any questions.

If you would like any more detailed information, please advise. If you wish to furnish the Court a copy of your letter, Ms. Mann's letter, and my response, you may certainly feel free to do so.

Thank you for your attention.

Very truly yours,

John H. Tucker
